EDISONIAN

*Profiles

'66*

*The
Edisonian*

Another school year has come and gone, all to quickly for many of us. During the months that were the school year of 1965-66, many new experiences unfolded for us all.

The tense excitement of our first football game . . . the friendly competition in the classrooms . . . the Junior-Senior Prom . . . baccalaureate . . . and finally graduation . . . all have a special place in the memory of each one of us.

The 1966 Edisonian staff wishes not only to portray the activities of this past year but also the feelings that were behind them. We hope that each one of you will find your own profile of '66 within these pages.

Sincerely,

Laura Chance

In Dedication

KOSMAS KAYES

With great hopes for a future of progress at Edison, we, the Edisonian staff, dedicate the 1966 Edisonian to our new superintendent, Kosmos Kayes.

The past year that Mr. Kayes has been East Gary's superintendent has been a year filled with progress and innovation. Whether he is thinking of new ideas in his quiet moments, or putting them to use in his busy moments, Mr. Kayes has played a large part in making this, the school year of 1965-66, a very special one.

Busy Moments

Quiet Moments

Profiles Of '66

It has been said that a person's face is a mirror to what's going on behind it. So it is with the many different faces at E.H.S. The intense concentration of study, the sorrow of defeat, the joy of happy moments, and the pride of accomplishment are all reflected on different faces at different times. These joys, sorrows, accomplishments, and failures make up what 1966 at Edison has meant to each one of us.

Graduation Day is an important occasion in the lives of the members of the class of '66. It is a time when each of you will be looking to the future. Many of you will be entering college, while others will be planning to secure jobs immediately in industry, stores, offices, etc. Still others will be planning to fulfill their obligation to the military services of our country.

I hope that during your four years at Edison Senior High you have acquired these five qualities: the ability and desire to make an honest living; an open-mindedness toward all new knowledge; a spirit of service toward society and your fellow-man; a clear sense of morality in all your activities; and a true feeling of your responsibility as an American citizen.

To you departing seniors, I extend my best wishes for success and happiness. I shall watch with pleasure the progress you make in the years to come after leaving Edison Senior High School.

Band Moves Into New Portable Building

The Senior Band, which boasted over sixty members this year, began the school year by presenting pre-game and halftime shows for home football games.

The next event of the year was a hayride and party held for band members and their dates. Another band party, sponsored by the Band Boosters, was held in the spring.

With the advent of the second semester, the band left its crowded quarters in the old band room and moved into the new portable building at the north side of the main building.

Each band member entered District Solo and Ensemble Contest, and three ensembles and the Dance Band competed in State Contest where they each received a second-place rating.

Among the most important events of the year were band contest in April and the concerts held in the fall, winter, and spring of the year.

Student Council Sponsors Homecoming

The Student Council, governing organization of the student body, consists of five officers, a boy and girl representative from each class, and the president of every school organization. The Council forms a link between the students and the faculty.

This year the Student Council sponsored such Homecoming festivities as the annual parade, half-time ceremonies, and the dance. They were also responsible for the distribution of student's individual pictures.

At the end of the school year, the Student Council was in charge of holding the election of new officers for the school year 1966-67.

One of the Student Council's duties was to inspect lockers regularly.

Using the skills learned at the meetings, Drama Club members prepared a program consisting of monologues, pantomines, and choral reading for two local organizations.

Commencement Speaker
Rev. Charles H. Banet

The thirty-third annual commencement exercises of Edison High School was held Thursday, May 26, at 8:00. A class of 117 seniors received their diplomas.

The class entered to the processional, "Pomp and Circumstance". Following the invocation given by Rev. James Agee, the salutatory was given by Miss Laura Chance and the valedictory by Miss Marla Stout.

Musical entertainment, "Highlights from 'The Sound of Music'", was provided by the Edison Senior High School Band. The address was then given by Rev. Charles H. Banet, President of St. Joseph's College. The class then received their diplomas. The traditional "Halls of Ivy" was sung by the Senior Boys Quartet. Ending the ceremony was the benediction given by Rev. James Agee.

The new graduates marched out to the school song and received a pink rose, the class flower.

"Down the fair-chambered corridor of years, the quiet shutting, one by one, of doors."
Hermann Hagedorn

The opening and closing of doors has always been a part of life. Every opened door has some flavor of the unknown, a feeling of moving into a new role, a new way of life. Every door closed shuts out the ways of the past.

The most important door-closing for seniors was the door to E.H.S. that closed behind each after receiving his diploma. The door closing behind the graduate was also the opening of a door into the wider world.

TO ALL ASPIRING STUDENTS

I would wish you luck but that would only be about 5% of your future-- 95% of success and happiness will be sheer will and effort on your part. In other words, "coining a phrase," you will get out of life what you put into it.

Soooooooooooooooooooo

Instead of luck, I wish you to have a clean, clear mind, a healthy body, drive enough to finish what you start, will power to stand up for what is right, and if you are wrong do not hesitate to admit it. Love God and your family, and whenever possible display OUR AMERICAN FLAG and pledge allegiance every day of your life.
